We also try to put \$10 or \$15 in the bank every month.

"OUT-OF-TOWN WOMAN."

THE CORRECT POWER

OF BEAUTY
(Copyright, 1912, by Lillian Russell.)
All women long to be beautiful. They may say that they do not, but that is when they are resigned to their shortcomings.

Many persons are clever and enjoy books and people, from the amount of pleasure they derive from their so-

Then there are women and men who rather boast of their lack of cleverness and inability to either read or talk with well informed people. woman who says that she does not care how she looks is of that class. Clever people should always try to

appear at their best in looks. Beauty is not cultivated to fascinate men, as college deans declare; beauty is cultivated to enhance the race of man and to make life's path more

The woman who paints herself to attract men is not beautiful, nor is she for one moment placed in that Her intention is misplaced category and her success is measured by her

is the duty of every woman. As flowers beautify the world, so should wom-

Education fills a girl's mind with the greater issues of life. The edueation of mind and body can be equal She will find little time in this world which needs workers to waste in coquetry, jealousy and vain regrets.

If a girl's way in the world is made easier by her personal attractions, it is not to her detriment. If she has a clear mind, with the natural mother instinct, her desire to be beau tiful will be confined to charming one man, the one she loves; and although adulation will crowd upon her, there meaning for her only in the favor able verdict of one man

The women who traffic in their natural gifts soon lose them and are worse than dead.

It is the duty of every woman to be purely and perfectly beautiful. That does not mean that each face and figure should be in conformity to the conventional rules of artistic

There are many types and forms of beauty of face and figure, but the greatest beauty is the beauty of in telligence. The intelligence to be kind, to be considerate of others, to be clean, well adjusted, to be pure in heart and know the reason why.

Many women go through the world without a grain of common sense, satisfied to know nothing; to be guided as it were by some stronger mind, generally masculine Such women are dressed up dolls, stuffed with sawdust instead of brains

Every woman and man loves com-

CELEBRATION

Four Hundredth Anniversary of First Catholic Diocese to Be Ob-

arising, remove the coating with sy water. The wax, through some peculiar attribute, flecks off the rough, catholic diocese in the New World, the same anniversary of the ar worn-out cuticle comes off just like and the same anniversary of the ar-dandruff on a diseased scalp, only in rival of the first Catholic binds of the almost invisible particles. Mercolized the Americas, Cardinal Farley of New wax simply hastens Nature's work York and Archbishop Blenk of New Orleans, who was formerly bishop of Porto Rico, are among the prelates skin and only the healthy, young look from the United States who will come to Porto Rico for the church celebra tion, which will be from February 2:

Together with Bishop Norris of Li tle Rock, Ark, and Bishop Gunn of Natchez, Miss, Cardinal Farley and Archbishop Blenk will sail from New York Saturday, February 15. An in-vitation has been extended to all Catholic bishops in the United States to attend the anniversary ceremonies The last day of the anniversary there will be a public demonstration in con-nection with the third Insular fair.

The diocese of Porto Rico is the oldest Catholic diocese in the Americas and was erected by Pope Julius II in 1511 Bishop Alonso Manso, the first bishop to reach the New World, most enjoyable affairs of the season discovered by Columbus, reached Porwas given by the ladies of the Machis body was buried in the cathedral in San Juan, where the remains of many of the fifty bishops of the diosic throughout the evening for the dancers, while tables were arranged church in the Americas, and while much of the present building is mod ern, parts of date back to early in

Cardinal Farley will officiate at the first of the anniversary services, a solemn high mass to be celebrated Sunday morning, February 23. The following day. Monday, Archbishop following day. Monday, Archbishop Blenk will officiate at a special serv-ice, when the remains of Ponce de Leon, the first governor of Porto Rico. who died in his quest for the fountain of youth, will be placed in a crypt in an elaborate monument erected in the cathedral.

Many churchment from other countries are to participate in the anniversary ceremonies, nal Almarez of Seville, Spain, who was elevated to the cardinalate with Cardinal Farley a little more than a year ago; Bishop Estrada of Havana Cuba; Archbishop Bernada of Sanc ago, Cuba; Bishop Ruiz of Pinar del Rio, and Bishop Aurelio of Cienfuegos, Cuba

Archbishop Adolfo Nouel of Santo Domingo, who recently was chosen president of that country, has sent word to Bishop Jones of Porto Rico vent him from coming to San Juan Through one of his priests President Nouel, who still remains head of the church in Santo Domingo, he has ad vised Bishop Jones that if he left Do minican soil for eight days there would be another revolutionary outbreak.

None of the dioceses in the United Members of the Eighth Ward Pri-mary association are making elabo-rate preparations for a ball to be given in the ward amusement hall on munity and had a church in 1565, ye It did not become a diocese until 1870 Plans for the decorations are being The first diocese in the United States made and the association expects this was that of Baltimore, which was to be one of the most successful afcorated in 1789. New Orleans became created in 1789. New Orleans became the next diocese in 1793, while New York, Boston and Philadelphia were created as sees in 1808, and are the next oldest.

With the coming of this anniverof graham flour, two cups of bran coin and Grant circles. Spanish war sary celebration many interesting bits meal, one teaspoon of salt, half cup veterans and Auxiliary will assemble of church history have been dug up

from old records. As far back as 1533 the high cost of lving seems to have been a problem that the first bishop in the Americas reckoned with for old records show hat he ordered prepared a report "on he sin of usury and of buying and selling at inordinate prices." same time, records show that "Bish op Manso commanded that a decree be read in the cathedral in San Juan exhorting usurers to go to confession within a certain period of time, that they might receive from the hishop or his vicar provisor salutary medicine for their spiritual malady. Should any be rebellious, he must be report-

And only a little later the church records show that there was a sugar tariff that Bishop Rodrigo Bastidas, who succeeded Bishop Manso, thought needed revising so badly that he wrote to the Spanish crown, saying "The new impost upon sugar will cause depression in business, which is already suffering. Let the impost be suppressed." This was in 1544. In the same letter to the Spanish

overeign Bishop Bastidas wrote 'It would be convenient to estabish in this bishopric a school of gram-
